April 2020

The Kiwi Seed shop will remain open during the next weeks of lock down.

If you do come, please be respectful and follow the measures
which have been put in place to keep everyone safe.
We need to look after our staff – they are the ones who keep the shop running.

Thank you.

Kiwi Seed produce their own

layers pellets, layers meal, pig pellets

on site and because of this we are able to supply those during the
difficult times we are experiencing at the moment.

Lawn repair or new establishment? Now is the best time.

Autumn is a good time to sow **new lawns** as seed will germinate quickly if it is kept well watered.

Kiwi Seed have 3 different types in various quantities available at our shop.

Regular Lawn Seed: Elite traditional lawn blend, soft, fine and tidy.

Hardy Lawn Seed: Drought tolerant, premium wear resistant, dark green colour.

Superfine Lawn Seed: Extra fine, low maintenance, ideal ornamental lawn, good colour retention over cooler months

For the **established lawn** feed and water as required, treat lawns for weeds once there is active growth and do not forget to look out for fungal disease and treat as needed.

General Lawn fertiliser and Yates Lawn Care

available at Kiwi Seed

Ideas for keeping kids busy during national lock down

- Make bird feeders, there are plenty of recipes available on the internet and hang them up in the garden. Watch the birds, you could even get the kids to write down the type of birds visiting, how many are around etc.
- Get creative and make your own seed mosaics, these are lots of fun and everyone can join in.
- Set up a treasure hunt for your dog in your garden and see if he can find all the hidden treats.
- Start sprouting seeds either for eating as sprouts or for transplanting out in the garden later.

Kiwi Seed stock various
vegetable seeds and soil types

for the home gardener.

There is a fresh vegetable supply shortage in Europe expected soon due to COVID 19 restrictions.
