Out in the garden

Did you manage to take a break last month? With temperatures slowly rising it's time to reconnect with nature and get your hands dirty again in the garden.

- * Clean out green house and propagation facilities
- * Prepare the garden for spring planting, chop up and dig in cover crops, add plenty of compost
- * Weed as necessary
- * Sow seeds in trays ready for transplanting later
- * Sow parsnip, turnip, Swedes, peas and broad beans
- * Start sprouting seed potatoes ready for sowing
- * Protect seedlings from slugs and snails.
- * Fertilise fruit trees, Rhododendron, Camelia, Azaleas and Roses

Seed Potatoes Instore

Lots of varieties—be quick as some have already sold out.

Fertiliser!!

This is a good month for spreading fertiliser around the entire Garden, Lawn or Paddock.

Our fertiliser mixes consist of both slow and fast release fertilisers to give you the best possible results.

We have a spreader available for hire to assist you with your fertilising duties.

PRE-MIXED FERTILISERS AVAILABLE:

Lawn, Bulb, General Garden, Rhododendron, Camellia and Azalea,

Citrus, Rose, Potato, Tomato and other fertilisers such as Superphosphate, Pot Ash, Urea, Dolomite etc also available.

Wildflowers for Marlborough

blended here at Kiwi Seed

Increase the beauty and biodiversity at your place.

Wildflowers have the power to turn the ugliest piece of land into a beautiful, magical scene.

This can be from one square metre, to a full sized paddock - and everything in between.

Talk to Leila here at Kiwi Seed about your project next time you are in.

We would like to do our bit for the environment by sending out our accounts and newsletters via email.

Please subscribe by emailing us at info@kiwiseed.co.nz.

You can also use the same address to unsubscribe from the newsletter if you wish.

Thank you from all at Kiwi Seed.
